

## Archery Range Rules at NORVA:

1. Anyone may call a CEASE FIRE if an unsafe condition is observed. This includes members and minors. If a CEASE FIRE is called, the entire range must draw down, un-nock arrows and convene.
2. No Broadheads may be shot or be on your person on the 3D or Field ranges at any time.
3. Broadheads (except TOXIC type) may be shot on the broadhead range.
4. No hunting on club property.
5. Shoot only at the targets.
6. Never shoot up in the air or in any direction where you might destroy property or endanger a life.
7. Never draw or shoot a bow when there is someone in between you and the target.
8. Always be sure the area in the back of your target is clear.
9. Do not shoot across lanes on the practice ranges. You may only shoot at the target directly in front of you, i.e. do not shoot at the 15 or 25 yard targets when you are in front of the 20 yard target.
10. Never allow anyone to retrieve arrows until all the arrows have been shot and range is COLD.
11. When retrieving arrows from behind the target, keep one person in front of the target to alert upcoming archers of your presence.
12. Anyone under age of 18 years of age must have adult supervision.
13. Check your equipment prior to shooting – some examples include:
  - Frayed strings
  - Cracked limbs
  - Worn D-loops
  - Missing C-clips on your cam axles
  - Cracked or bent arrows (test by flexing them if they are carbon arrows)
  - Loose or broken nocks
  - Test your release
  - Heat / cold stress if you left your equipment in your car
14. Place any found arrows in the clubhouse to be claimed by their rightful owner.
15. Police the range at all times and leave it in better condition than when you arrived. This includes the grounds, clubhouse and yes - emptying trash cans in the dumpster occasionally.
16. Please report all defects or unsafe conditions immediately to any Club Officer via email & chalkboard.
17. There is a log book in the clubhouse. All members and guests must log in and out.
18. Crossbows are not allowed at NORVA.
19. Guest policy will coincide with NORVA rules: Each guest must sign a waiver & all guests must be supervised. If you bring a pet, supervision and cleanup is your responsibility.
20. Before vacating the premises, all persons must sign out in the log book, check lights, water, etc. and make sure all windows, doors, and gates are secure. Ensure lock combinations are scrambled.
21. Quiver tags must be displayed while using the archery ranges except during sanctioned events.
22. Anyone without a quiver tag can be challenged by any member and be asked to leave. A current membership card is acceptable identification, but each member is required to display a quiver tag and the situation should be rectified as soon as possible.
