Message from the President (Joe Wolfe)

The June 2020 meeting was held on-line and led by club President Joe Wolfe.

There was no old business to discuss.

Joe informed that he was still waiting to hear from Fountainhead Park officials regarding a request for gravel for the NORVA driveway.

NEXT NORVA WORK PARTY will be held June 20, starting at 8:00 a.m. See you there!

Treasurer's Report (John Shea)

John reported that he purchased two new fire extinguishers for the clubhouse. Joe bought a laminator for the club's office supplies.

Membership Chairman (Gerry Petraitis)

Membership Chair Petraitis reported that the club has 278 members (178 primary members and 100 family members).

During the pandemic stay-at-home measures, approximately 20 people have expressed interest in joining the club. Gerry is preparing to send out an invitation for club orientation. He will be studying the requirements of Virginia's Phase 2 reopening to ensure that the orientation class comports with those requirements. He will strive to balance public health concerns with the new club member's concerns. He will err on the side of caution with regard to the health of all concerned.

We hope to soon be able to allow for dues to be paid on-line and/or the with the use of a Square account.

Field Targets Captain (Elise Walker)

Field Captain Walker reported that the pathway along Target 11 has been eroded. The path is narrow. She is looking at how best to fix this. It may require some materials (rebar, lumber). She made a rough estimate that the repairs would require approximately \$500 in materials.

3-D Course Captain (Jeff Van de Vaarst)

3-D Captain Van de Vaarst made changes to eight targets on the range. He is waiting on delivery from Hoffman Archery for new targets that the club has ordered.

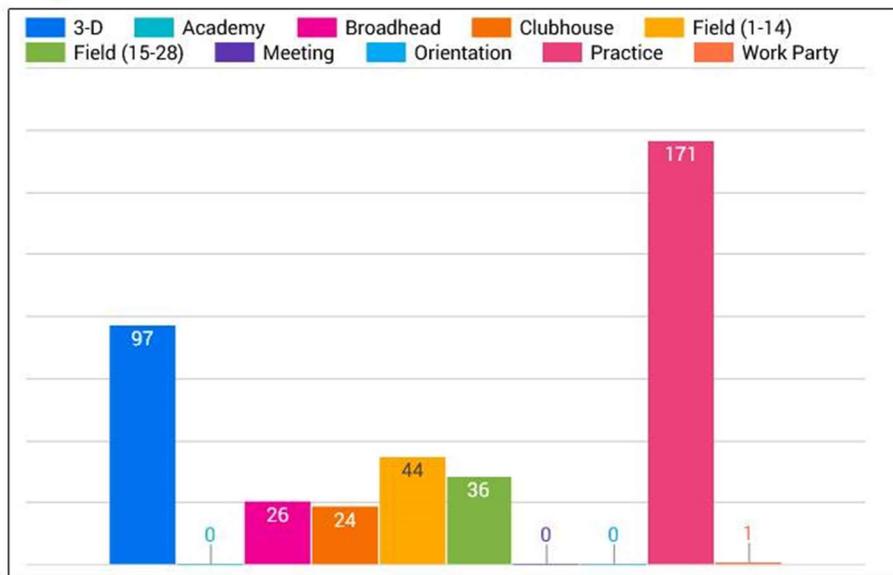

Elise Walker reported a concern regarding target 24. Jeff indicated that he would put up a warning sign.

Web Master (Uwe Jacobs)

Uwe has refined the sign-in form to account for the different ways that people sign in. As of the June 4 meeting, 63 members have signed in 205 times. It is imperative that you sign in the same way every time – please don't change your name, i.e. from "Robert" to "Bob." Do not include guests in the party size or enter NORVA members in the guest fields, otherwise the count will be off. Finally, remember to sign out when you leave. If you have lost the sign-out page while at the range, just start a new sign-in with the same member name. It will detect that you have an open sign-in.

The sign-in form will help us determine which facilities are most popular. Thus far, most members that sign in have marked the practice range as their intended use. The 3-D course is second in amount of use.

Top Activities YTD

Uwe also developed forms to allow individuals to sign-in online for the upcoming NORVA shoot. The 3-D shoot link is https://www.novaarchers.org/shoot_3d.php and the Field link is https://www.novaarchers.org/shoot_field.php. The results can be viewed at https://www.novaarchers.org/shoot_results.php. This same tool will be used for future NORVA events.

SIGN-IN REMINDER: There is a new sign-in procedure. Instead of a log-book, you must sign in and out on-line at <https://www.novaarchers.org/signin.html>
